### 3. As-Built Electrical Plan (signed and sealed by the PEE)

### 4. Business Permit

### 5. Provide below as applicable:

For Sole Proprietorship

- ☐ DTI Permit

For Corporation

- ☐ SEC Certificate

## APPLICATION PROCESS

### STEP 1

#### Accomplish Application Requirements

Fill out Customer Application Form and secure all Application Requirements then submit to MORE Power Office.

### STEP 2

#### Await Load Inspection

Wait for MORE Power's technical team to conduct a load inspection at your household.

Please be present during the inspection process or have an authorized representative to be there on your behalf.

### STEP 3

#### Prepare Your Service Entrance

Have your private electrician ready your service entrance wires and main circuit breaker for meter installation.

### STEP 4

#### Pay Bill Deposit & Sign Service Agreement

Pay bill deposit and sign electric service agreement at MORE Power office.

### STEP 5

#### Meter Installation

Please be present during meter installation or have an authorized representative ready.

CONGRATULATIONS! You are now energized!
